Invitation

Dear Madam/ Sir,

It is a matter of great pleasure and pride that our College is going to organize **National Webinar on “Democracy, Election and Governance”** on **5th April 2021**, organized by **Politics Department**. We are privileged and feel honoured to invite you for the Workshop. We firmly believe that you will grace the occasion with your kind presence.

About the College:

J.A.T Institution was founded by a versatile personality Hon’ble Late Alhaj Haroon Ahmed Ansari Saheb, who was an eminent educationist, a social reformer, freedom fighter and veteran politician. At present the College is being run by his able son Hon’ble Alhaj Ansari Nehal Ahmed Saheb [Chairman J.A.T Institution], the multi-talented, multi-tasking, dynamic and charismatic personality. He is trying to provide education to the economically poor and educationally backward Muslim minority girls in safe and Islamic environment. Being the great educationist, his goal is to make J.A.T Campus “Centre of Excellence” where quality education is the central and focal point. It is rightly said that “A dream becomes a goal when action is taken towards its achievement” and we are committed in taking constructive and purposeful actions to produce optimistic, independent, compassionate, life-long learners and leaders who will bring glory to the College, Community and the Nation.

Vision: To make an awareness of the changing needs of the modern Indian society with the challenges & opportunities available amongst the women from the minority community

About the Webinar:

India has the Largest Democracy in the World. Democracy is a means for the people to choose their leaders and to hold their leaders accountable for their policies and their conduct in office. The people decide who will represent them in parliament, and who will head the government at the national and local levels. They do so by choosing between competing parties in regular, free and fair elections. Government is based on the consent of the governed. In a democracy, the people are sovereign—they are the highest form of political authority. Power flows from the people to the leaders of government, who hold power only temporarily.
